

UNITED STATES DEPARTMENT OF AGRICULTURE
OFFICE OF THE SECRETARY
WASHINGTON

OFFICE OF PERSONNEL

APR 20 1960

Assistant Chief of Staff, Intelligence
Department of the Army
Washington 25, D. C.

Attention: Combat Intelligence Branch

Dear Sir:

This office has been requested to notify you of the security clearance for Mr. James Earl Paseur, an employee of the Soil Conservation Service, this Department, in order that he may attend the Intelligence Community Orientation Program on May 24, 1960. Mr. Paseur works on the World Soil Map Project which cooperates closely with the Military Geology Branch of the U. S. Geological Survey.

This is to certify that security clearance for Mr. Paseur was effected on January 2, 1958, authorizing him to handle classified material up to and including Top Secret, based on a full field investigation conducted by the Civil Service Commission in 1957.

Very truly yours,

W. George Goold
Assistant Director for
Security and Investigations
